Design Guidelines for Architectural Changes

Revised 3/24/15

** Note: Section 3g (Minimal Front Yard Landscape Requirements) was approved and revised by the Board.

CCR's Section 8.1.5 Improvements and Alterations. No improvement, alteration, repair, excavation or other work which in any way alters the exterior appearance of the Property or the improvements located thereon from its natural or improved state existing on the date such Property was first conveyed by Declarant to a home buyer shall be made without the prior approval of the Architectural Committee, except as otherwise expressly provided in this Declaration.

The Architectural Review Committee (ARC) for Laveen Ranch HOA has been appointed to consider requests for modifications and render a decision. We reserve the right to make a final inspection of the change to make sure it matches the Request you submitted for Approval. Please follow the plan you submitted or submit an additional Request form if you cannot follow the original plan.

You must follow all local building codes and setback requirements when making this change. This approval should not be taken as any certification as to the construction worthiness or structural integrity of the change you propose. Be aware that you are responsible for contacting the appropriate Utility Companies before digging.

The Homeowner is responsible to maintain the alteration in like-new condition if approved by the Architectural Committee. If in the view of the Committee, the improvement is not being maintained, the Committee has the right to remove or maintain the improvement with the homeowner bearing all costs thereof. The Homeowner agrees to comply with all city and state laws, and obtain all necessary permits.

Please be advised that this document contains guidelines which are used by the Architectural Review Committee to render decisions regarding proposed changes. These guidelines are not all inclusive but include many of the most commonly requested items.

OWNERS MUST WAIT FOR WRITTEN APPROVAL **PRIOR** TO BEGINNING ANY WORK. PLEASE BE ADVISED THAT OWNERS TAKE FULL RESPONSIBILITY FOR ANY ITEMS PURCHASED PRIOR TO RECEIVING WRITTEN APPROVAL.
